Gentlemen:

Phantom Mask, national radio drama organization, has the above design for crest. This same design has been translated into pottery as indicated on the enclosed picture for use as a paper weight. It is our desire to copyright the design so that it may not be used in any other way by any person or organization except Phantom Mask. Please send us the proper forms with full information as to the protection that we may expect from various forms of copyright, if there are different forms.

Sincerely yours

H. R. Heck, National President
